### **Weekly 'SEND Surgery'**

Every Wednesday in term-time we offer 30-minute face to face, telephone or 'virtual' Teams appointments that are available to book between 10.am – 11.30am.

This is an opportunity to have a confidential one to one conversation with our trained Sendias (special educational needs and disability information, advice and support) practitioners.

We're happy to discuss paperwork (you can email this to us beforehand), processes, give you guidance about filling in forms, signpost you to other services and talk through next steps with you.
