

GET TO KNOW SOME FACES...

HANNAH

I am an Information and Advice Officer, and the Children and Young People's Support Worker at Sendias Bathnes.

I listen and advise children, young people and families who may need support with issues at school, college, or education. I can also help you know your rights and the law.

Some of my favourite things

**Long adventurous hikes
Cheese twists
Yoga**

**Cuddles with my cat
Warm, sunny days
Music**

What's important to me?

- **That I am listened to**
- **That young people's best interests are always taken into consideration**
- **That everyone has the opportunity to have their voice heard.**
