THE LOCAL OFFER

Finding out about support near you

You can find out what support there is near you by looking at the **Local Offer**. This is the name of a **web page** or written information, like a leaflet. It is written by your **local authority**, which might be called '**the council**'.

The Local Offer is for:

- **Disabled** children and young people
- Children and young people with **special educational needs**. Special educational needs are when you need extra help to learn things.
- **Families** of those children and young people

The Local Offer must give you **information** about the **support** that you should be able to get in your area.

The Local Offer must have information about:

- **Schools, colleges** or training
- Special **health** support

- Hobbies or fun **activities**
- Support for becoming an **adult**
- **Transport**

The local authority must ask you what it should put in the Local Offer. You can tell your local authority **what you think** about it. They must show everyone what people have said and explain how they are going to **make it better**.

Your Local Offer is on your **local authority website**. If you cannot get on the website then they should give you **written information**, like a leaflet.

To find your Local Offer, go to:

<https://livewell.bathnes.gov.uk/special-educational-need-or-disability-send>

To find out more about the Local Offer, go to:

www.youtube.com/user/WatchCDC

Information, Advice and Support Services can help you to find your Local Offer. They can also **help** you to tell your local authority what you think about your Local Offer. **Ask** one of our members of staff for support.

We have made all reasonable efforts to ensure that the information contained in this leaflet is accurate and up to date at the time of publication. It does not constitute legal advice and the SENDIAS Bathnes cannot accept any responsibility for any loss or damage suffered as a consequence of any reliance placed upon it.

This document can be made available in a range of community languages, large print, Braille, on tape, electronic and accessible format.
